

Capabilities List

1. Capabilities List

1.1 Airframes

Manufacturer	Make/Model	Limitations
Dassault Aviation	Falcon 10, 20, 50, 200 & 2000EX Series	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Gulfstream Inc.	G-200	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Learjet Inc.	20, 30, 45, 50, 60 & 70 Series	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Cessna Aircraft Company	CE-210, 208, 510, 421, 425 & 441, Citation 500, 525,550, 560 & 650	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Pilatus	PC-12	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Raytheon Aircraft Company	Beechjet 400/400A, King Air 90, 200, 300 Series	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Hawker Beechcraft	HS-125, 1900 Series	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Piper	PA-46 Series, PA-28R-200	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Bombardier Inc.	CL-600 Series	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Daher-Socata	700 Series	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Textron	390 Series	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Fairchild Dornier 328	100, 300 Series	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Piaggio	P-180	Limited to Maintenance, Preventative Maintenance and Alterations, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.

Capabilities List

1.2 Engines

Manufacturer	Make/Model	Limitations
Pratt and Whitney Canada	PW500, PW545, JT-15 & PT-6A series, & PW305 & PW306 Series	Limited to Maintenance, Preventive Maintenance, including inspection of Hot Sections, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
General Electric	CF-34 Series	Limited to Maintenance, Preventive Maintenance, excluding inspection of Hot Sections and Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Honeywell	RE100XL, CTC36-100, GTCP-150 & TFE-731 Series	Limited to Maintenance, Preventive Maintenance, including inspection of Hot Sections, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Hamilton Sundstrand	T-62T Series	Limited to Maintenance, Preventive Maintenance, including inspection of Hot Sections, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Teledyne Continental Motors	TSIO-520 & GTSIO-520-L Series	Limited to Maintenance, Preventive Maintenance, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Williams	FJ44-1	Limited to Maintenance, Preventive Maintenance, excluding inspection of Hot Sections and Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.
Lycoming	IO-360-C1C Series	Limited to Maintenance, Preventive Maintenance, excluding Overhaul, in accordance with current manufacturer's instructions and/or other data approved by the Administrator. Reference Current Ops Specs A003.

Capabilities List

1.3 Instruments

Manufacturer	Make/Model	Limitations
TSOA Manufacturers of Altimeters, Air Data and Automatic Pressure Altitude Reporting Equipment	Altimeters identified with TSO- C10b certification, Air Data components identified with TSOC106 certification and Automatic Pressure Altitude Reporting Equipment with TSO- C88a	Limited to Altimeter Test and Inspection performed in accordance with 14 CFR 43, Appendix "E", paragraph (a) and (c). Paragraph (b) to be performed by an appropriately rated repair station Reference Current Ops Specs A003.
TSOA Manufacturers of Transponder Equipment	Transponders identified with TSO-C74b, TSO-C74c and TSOC112 certification.	Limited to ATC Transponder Test and Inspection performed in accordance with 14 CFR 43, Appendix "F". Reference Current Ops Specs A003.

1.4 Radio

TSOA Manufacturers of Transponder Equipment	Transponders identified with TSO-C74b, TSO-C74c and TSOC112 certification.	Limited to ATC Transponder Test and Inspection performed in accordance with 14 CFR 43, Appendix "F". Reference Current Ops Specs A003.
